

Corporate governance solutions

Partner with Governance Institute and
upskill your staff and governance capability

What's in it for you?

- Create a shared understanding of **governance and risk principles** within your team to enhance capabilities, minimise risks, align decision-making and improve your organisation's culture and performance.
- Align with our trusted organisation to meet the governance, risk management and compliance professional development needs of your organisation.

With a membership of over 7,500 company secretaries, governance leaders and risk managers from some of Australia's largest organisations, Governance Institute of Australia is the only fully independent professional association with a sole focus on governance excellence.

For 110 years, our education, research, advocacy, and support networks have provided cutting edge governance and risk management advice to Australian business leaders from all walks of life. We celebrate Australia's successes, and challenge it to be even better.

Governance Institute operates as a fully independent not-for-profit, and a charity.
